

## ***Monmouth County Master Plumbers Association***

***PO Box 74***

***Howell, New Jersey 07731***

- 1) What type of products would benefit you mostly; for us to have the manufactures rep come in and do our monthly meeting as a seminar?
- 2) Same should apply for services? Like truck lettering, CPA needs, attorney needs, and maybe printing, cell phone, or even computer programming.
- 3) What type of social events would you attend if we arranged? What time of the year is best to count on your attendance, keeping in mind this could also be a family event. We could also have a wife's night out for those of us that realize what our wives put up with.
- 4) Any suggestions for anything along these lines which may have been neglected, and may have been a misconception you have had thinking the association would have had in place.

### ***Are you aware?***

- ✚ The association has a new program offering discounts on PERSONAL home owners and auto insurance. This savings alone can PAY for your annual membership.
- ✚ Soon if not already, we will have a credit union which would also be available to your employee's and their families as well.
- ✚ A payroll service that does ALL your human resources, (like employee handbook, hiring and firing protections, all state regulated employer to employee laws, and they are linked with our current insurance company so they handle your business package and in many cases that insurance goes down as well. This is like having a full time HR/insurance person on the payroll. Plus no workers comp audit! Contact Tony Cacciotti, Monmouth President @ 732-458-4744 or Jemcoplg@msn.com for All information.
- ✚ Many seminar's for education like heating, contracts, and new products all on the state level and usually FREE with dinner.
